

Be Engaged with Teleconference Captioning Service

Teleconference Captioning Service allows people who are deaf or hard of hearing to participate in meetings, teleconference calls, video conferences and multi-party conference calls.

Benefits:

- High-quality captioners
- Receive live, real-time text streamed captions to any internet-connect device with a web browser (i.e. computer, tablet, or mobile device)
- Ability to save, email or print transcripts
- Adjustable font size/color and background screen
- SSL Encryption included
